Welcome to your District Meeting Video Series!

June, 2020
According to the bylaws, the purpose of the district meeting (typically held in May) is to:

- Elect the director to the Cooperative board for the district
- Act upon matters submitted by the board to the districts
- Act upon matters submitted to the board
- Elect delegates to the annual meeting, held in August
- Elect a district Chairperson, Vice-Chairperson and Secretary
- Hear reports on matters of interest to the membership

What are the roles of district Chairperson, Vice-Chair and Secretary?

- They act as officers, presiding over the district meeting proceedings for the upcoming year
- They act as the nominating committee for the board seat every three years
- They serve on the elections and credentials committee in the year of a contested election

What do the delegates do?

- Vote on resolutions on behalf of the district membership at the annual meeting
- Make recommendations and raise concerns voiced by the members to the Board of Directors
- Review the board’s annual report to the membership at the annual meeting

According to the bylaws, the purpose of the annual meeting (held in August) is to:

- Act upon matters brought before the delegates
- Review the annual report of the Cooperative
- Install the directors beginning their election term
Every year, we look forward to meeting with you at our district meetings. It’s a chance to conduct Co-op business, like electing directors and district officers, but also to update you on the electric co-op you own.

Unfortunately, our in-person meetings, scheduled for May, had to be canceled this year due to the COVID-19 pandemic. We were very disappointed not to be able to meet with you this spring, but of course your safety and the safety of our employees is our top priority.

We still wanted to be able to share important Co-op updates with you, though, so we developed our first-ever district meeting video series. The brief series will provide information on topics we would have covered at our in-person meetings this year, including:

- **Video #1**: Business Meeting (Including update on director elections, district officers and annual meeting)
- **Videos #2a-g**: A Word From Your Board Of Directors
- **Video #3**: Co-op Update
- **Video #4**: HomeWorks Connect Fiber Internet Update
- **Video #5**: People Fund/Community Outreach Update

**Prizes:**

If you’ve attended a HomeWorks district meeting in the past, you know the prizes we give away are always a big draw! We didn’t want you to miss out on that excitement this year, so each video in our series will give you a chance to enter to win big prizes, including a 58” smart TV! Watch the videos for how to enter. Each video you watch gives you a new opportunity to win!

**Thanks for watching!**
The membership of Tri-County Electric Cooperative annually holds seven District Meetings not less than 30 nor more than 90 days prior to the Annual Meeting. In Article VII, Sec. 13 of our bylaws, under Member/Public Safety Emergency Board Authority, it is stated that:

“Should there be public safety and/or emergency declaration or orders by Federal, State, or Local government authorities and such declarations or orders include and effect all or portions of the Cooperative’s service territory, the Board of Directors (Board) has reasonable authority to protect the membership, customers, and members of the public relevant to such declarations and/or orders.

The Board may, and whenever possible in coordination with the district officers, upon majority vote and resolution, adjourn without date regularly scheduled district and annual meetings of the Cooperative until such time as the public safety and/or emergency declaration or order permits.”

In accordance with CDC guidelines and Michigan’s “Safer At Home” executive order in response to the COVID-19 pandemic, our Board of Directors voted unanimously on March 23 to indefinitely postpone our 2020 district meetings. We posted information on this decision in our March and April issues of Country Lines magazine.

On April 27, our board showed unanimous support of our decision to move forward with a district meeting video series in place of this year’s in-person meetings. On June 12, a mailer was sent out to all members, notifying them of the video series and how to access it. Other communications going out to members to promote the video series include automated calls, emails and social media posts.

The video series can be accessed at our website: www.HomeWorks.org.
Your District Officers

Our district officers serve an important role for the Cooperative. The district chair typically runs the annual district membership meeting. The vice-chair steps in if the chair is not available. The secretary reads the Notice of Mailing and calls for approval of the minutes from the previous year’s meeting.

Every three years, your district officers also serve as the nominating committee when your district’s board seat comes up for election.

District officers typically serve one-year terms, and are elected at our annual district meetings. Since this year’s in-person meetings had to be canceled, our Board of Directors unanimously approved for us to request that all current officers remain in their posts until the next in-person district meetings are held. All of our district officers complied with this request.

The members representing your district as district officers are listed below. We thank these volunteers for all they do for the Cooperative!

**District 1**

*District 5 Chair Carl Bornemann passed away May 18, 2020, and District 7 Chair Jean Chapin passed away Dec. 25, 2019. These posts will be filled at our next in-person district meetings.

In Memoriam

We honor the memories of District 5 Chair Carl Bornemann, who passed away May 18, 2020, and District 7 Chair Jean Chapin, who passed away Dec. 25, 2019. Both Carl and Jean were great friends to the Cooperative who gave generously of their time to serve as district officers. We appreciate their important contributions to the Co-op, and we send our thoughts and prayers out to their families.
Since the CDC is still recommending against large in-person meetings at this time due to the COVID-19 pandemic, we are currently reviewing our plans for our 2020 annual meeting, scheduled for August 15, and considering alternative options with our board. We will let all delegates know of any change in plans in advance of the scheduled meeting date.

Note: Since our in-person district meetings were canceled, meaning annual meeting delegates could not be assigned there this year, we sent letters asking last year’s delegates to serve as delegates again this year.

WHY SHOULD I SIGN UP FOR HOMEWORKS CONNECT?

We're excited to have over 3,000 homes connected to HomeWorks Connect high-speed fiber internet, and to have gained the support of over 7,600 of our members since we first announced that we would be constructing a fiber internet network. So, what are our members who are connected saying?

“It will be worth the wait, folks! We have ours and it has been great!”

Our goal is to be able to provide each of our members with reliable high-speed internet by the end of Phase 5. As we work this year to complete Phase 3, we encourage you and your neighbors to help us understand which areas of our service territory have the highest need for internet by pre-registering your address at Join.HomeWorksConnect.org! It’s free, simple, and will tell you which zone you’re in without committing you to buying anything in the future.

Pre-register today at Join.HomeWorksConnect.org!

HomeWorks Tri-County Propane hit a milestone this year when we notched our 4,000th customer! Since the company was founded in 1999, our propane field team has driven nearly three million miles to deliver over 40 million gallons of propane. We’ve grown a lot along that journey, but our commitment to offering excellent customer service at a great value remains the same. If you’re not a customer yet, here are just a few of the reasons to consider Tri-County Propane:

- **Guaranteed capped winter rates, set by August**
- **Auto-fill service option, with credit approval**
- **Equal payment budget plan option**
- **Metered service option**
- **Same great HomeWorks customer service!**

* Some options listed require qualifications to be met.

Call 877-574-2740

The Tri-County Electric People Fund is funded through Operation Round Up. Members who OPT IN round their monthly energy bills up to the next dollar amount. Now you can also OPT UP! In addition to rounding up, you can designate an additional amount to contribute each month.

**Rounding up averages only about $6 per year, per account!**
The Round Up amount is always clearly marked on your electric bill, and your total annual contribution is listed on your January/February bill since it is tax-deductible.

- I want to OPT IN! Please include my HomeWorks Tri-County Electric Cooperative and/or HomeWorks Tri-County Propane account(s) in Operation Round Up so we can make a difference as part of the Tri-County Electric People Fund.

- I'd like to OPT IN and OPT UP! Please deduct this additional amount each month from the account(s) listed here: $_________________
